Residential Refuse Permit Application

Out-of-county refuse is **not accepted** at any collection site, including the landfill. This permit is **only** for normal household waste generated within your Garrett County residence. This permit is *not* required to cross the scales at the landfill with waste generated within Garrett County. The permit fee is **\$85** for each vehicle.

Applicants are required to show proof of maintaining a household within Garrett County. Current utility bills or property tax statements detailing the address generating household waste will be sufficient proof. Applicants applying in person should bring this with them. Applicants applying through the mail will need to send a copy along with this application.
