RE: Invitation to Bid #25-0306 Galvanized Steel Modular Panel Truss

Please note the following clarification to Invitation to Bid #25-0306 Galvanized Steel Modular Panel Truss resulting from a question received from an interested bidder:

1. Is this for permanent installation? If so, I assume you don't want a pin connected truss that requires inspection and maintenance of pin connections?

Answer: The truss shall be pin as specified

2. Do you have a particular design or style of truss?

Answer: There is no specific style of truss

3. At 60', rollers and launching nose is not needed. Will they still be required?

Answer: There is no crane access at the site. The proposed structure will need to be launched from one of the approaches.

Please acknowledge receipt of Addendum 1 by initialing the appropriate section on the Signature to Bids Page of the bid package.
